GAME PRODUCER

🔍 Portfolio : theonottez.com

🌐 [linkedin.com/in/theonottez](https://www.linkedin.com/in/theonottez)

Looking for a **2 to 4 month** starting from **June 2018**

PROFILE

I am aiming for game production positions. My goal is to **simplify the team's work**, allow its members to develop their full potential. I have an accessibility driven approach to design, and make a point of focusing the production's efforts into strong elements of the experience, that directly benefit the player.

EDUCATION

2014 - 2019 : Masters Degree in Management & Game Design
Supinfogame Rubika, Valenciennes, France

EXPERIENCE

Game Jams

November **2013** - Present

Finalist "Viens créer ton jeu" contest, Epitech Paris (2013).
Ludum Dare, jams organized at school, itch jams...

Paris Games Week, Representative Square Enix Booth

October **2015** and October **2016**

Welcome and **inform** visitors about games and machines,
teamwork, manage **emergency**, represent a brand's image.
